23 \_\_\_\_\_  
 24 <sup>1</sup> At the time of P. Oksol’s affidavit being signed RTC Exhibit 1-F was listed as (a-d) because it was thought to  
 25 require multiple parts to comply with the Court’s CM/ECF 2 MB or smaller requirement, but it turned out to be a  
 26 much smaller data file than expected. Exhibit F is being filed as a singular file. Similarly, other exhibits, while not  
 noted in the affidavit as being in multiple parts, were found to be very large data files and were broken into multiple  
 parts when prepared for ECF filing. All upper case exhibit letters conform to the exhibits as listed in the P. Oksol  
 affidavit.
